Unity in Diversity Being One in Christ & Celebrating Diversity

Why are we so afraid of difference?

The US has become a place of fast-paced demographic changes and for some this change can feel like a "storm" - a drastic shift from what we have known. Why do we fear this change? What do we fear when we meet someone of a different race, nationality, religion or language? From where do we learn messages that program us to fear otherness? We will explore the roots of our preconceived notions of difference, the voices that incite fear, stereotypes and prejudice, and talk about our call as Christians to be one community in Jesus Christ.
